The diagram consists of two parts. On the left, a table titled "Key to Adjacent Sheets" shows a grid of sheet numbers. The grid is 3 rows by 3 columns. The top row contains 36, 37, and 38. The middle row contains 47, 48, and 49. The bottom row is shaded gray. The cell containing 48 is highlighted in yellow. On the right, a diagram titled "Sheet Location within Entity" shows a yellow irregular shape representing a sheet. A small blue square is located at the bottom right corner of the yellow shape, indicating the location of the sheet within the entity.
